Dear Sirs,

We are very pleased to have been associated with you from year 1979 and you have participated in every one of our projects when we have expanded our foundry capacity by 15 times since our inception in 1981.

We would like to acknowledge the excellent quality of work turned out by you in fabricating, erecting and commissioning our 6 foundries in Sholinghur. Besides the fabrication connected with buildings, you had also undertaken the fabrication of equipments constituting our Sand Plant, Dust Extraction and Fume Extraction Systems.

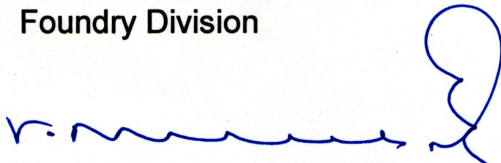

We are very happy that you had always completed your work well on time, continuously improving on the deliverables.

You have been very reliable partner in the progress of the Foundry Division of Brakes India.

We look forward to continuing our mutually rewarding association.

Thanking you,

Yours faithfully,

**Dear Mr. Ravindran,**

Indian Commerce & Industries Co. P. Ltd., (ICICPL) has been associated with us right from 1981, when the AAL Mysore project was started. The Main Plant, which is 160M x 100M with Northlight Roof Structure, was erected by ICICPL, with the guidance and architectural inputs of Dr. C.N. Srinivasan, Partner, C.R.Narayan Rao & Company.

Through the years, Indian Commerce & Industries Co. P. Ltd. has continued to be our preferred partner for various expansions that were made at our site.

The Workmanship, Adherence to Time Schedules, and Resource Mobilisation Capability of ICICPL is noteworthy and well appreciated.

On behalf of Automotive Axles Limited, I wish your company all success and further growth in your field of activity in the years to come.

Yours sincerely,

**Ashok Rao**

### TO WHOMSOEVER IT MAY CONCERN

We have been utilizing the services of M/s.Indian Commerce & Industries Co. P. Ltd. as Structural Steelwork Contractors for many of our Projects for over 50 years.

They have undertaken Construction of Conventional & Pre-Engineered Steel Buildings for leading Industrial Groups in South India like TVS Group, Simpson Group, Ashok Leyland, MRF, Ford, Hyundai, Toyota, etc. with our design and QA system. Over 50,000 Tonnes of Structures have been fabricated and erected by them in association with us.

Their Manufacturing resources include Mechanized PEB Welding Lines, & Metal Sheet Profiling Lines.

We have found M/s.Indian Commerce & Industries Co. P. Ltd. to be reliable and committed to engineering excellence and Customer satisfaction.

They have completed a number of Projects within stipulated tight completion schedules against heavy odds.

As Architects, we have found that very little follow up is required once a contract is entrusted to M/s.Indian Commerce & Industries Co. P. Ltd.

We have no reservation whatsoever in certifying that M/s.Indian Commerce & Industries Co. P. Ltd., can be depended upon for high quality and timely execution of contracts for Structural Steelwork (PEBs & Conventional), tankages and other fabricated equipment.

### **PERFORMANCE CERTIFICATE**

M/s. Indian Commerce and Industries Company Private Limited, have executed fabrication and erection of structural steel work for the expansion of our Assembly shop H2 and Boiler House Expansion during 2003-2004.

They have spared no efforts to fulfill our quantitative and qualitative requirement maintaining high levels of safety of operation and technological competence.

They have risen up to the occasion in meeting crash completion schedules. Their Project team has achieved the specified targets by appropriate planning resource mobilization and implementation.

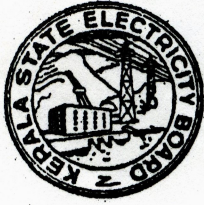

The work was entrusted to them based on their track record in the steel construction field for over 9 decades and they have fulfilled our expectations.

We would readily recommend them for any Steel Construction Project involving crash schedules with high levels of technical requirements.

C E R T I F I C A T E

M/s Indian Commerce & Industries Co P Ltd have been our main fabrication and erection contractors for the past three decades. They have been associated with the construction of shops at our factories at Ennore, Bhandara, Alwar and Hosur for structural steel works including roofing, cranes/monorail structurals and other misc. fabrications & would have carried out slightly over 8000 MT of fabrication.

They have been able to mobilise requisite men and materials as required and complete the works entrusted to them satisfactorily.

TO WHOMSOEVER IT MAY CONCERN

M/s. INDIAN COMMERCE & INDUSTRIES CO. P LTD have been our Structural Engineering Contractors for the most of our Construction and Expansion Projects for over 20 Years.

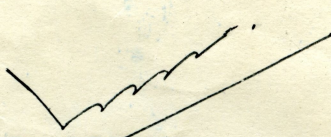

They have executed contracts for the Structural Steel works of our factories at Arkonam, Tiruvottiyur, Medak and Goa to our satisfaction.

They have spared no efforts to meet the required completion schedules without sacrificing quality at any stage.

They take very little time to respond to and mobilise against our Orders.

We consider <sup>that</sup> M/s. INDIAN COMMERCE & INDUSTRIES CO. P LTD are reliable for taking up any challenging contract for building structures, towers, gantries and other fabrication oriented works.

Dear Sirs,

Sub: Fabrication and erection of Structural and  
Roofing works at our Kukkawada Sugar Factory  
near Davanagere.

--o--  
It is with pleasure, we wish to keep on record, our  
high appreciation of your co-operation in having  
completed our main factory building and sugar godown  
work, in record time of about five months, as per  
our schedule, involving about 670 tonnes of steel  
fabrication and erection works including 950 Sq. Mtrs  
of A.C.Roofing.

We have great appreciation for your staff who are  
not only competent and hard working but courteous  
and co-operative.

In this, you have really exhibited your capability  
of tackling any big venture of this magnitude, for  
completion as per customers' schedule.

We wish you similar success in your future assignments.

Thanking you,

The Chairman,  
Board of Directors,  
Indian Commerce & Industries,  
Madras.

Gentlemen,

We here at Hewitt-Robins should like to record our appreciation and thanks for the cooperation and efficiency with which your Indian Commerce & Industries carried out your part of our Contract at Neyveli Lignite Corporation.

Workmanship of your Staff and employees at site is a credit to them and to your Company as a whole. The perseverance of Mr. Sreenivasan and Mr. A.K. Shastri have contributed greatly to the speedy completion of the contract.

We are also grateful for the small services that you have extended to us over and above the usual sphere of a contract of this nature.

We hope that in the not too far future that we again will cooperate for the mutual benefits of our two firms concerned.

Very Truly Yours,  
HEWITT-ROBINS INC.
